Tell Amit Ghosh if you plan to bring a poster.

There is a parking Garage next to the Mellon Institute Bldg. on Dithridge St. You can also park at many meters (best rate) that give you 4 hours at a time along Dithridges St and Bellefield Ave, but not on Fifth Ave. A third choice would be to go to the Museum parking at the bottom of South Craig St./Forbes Ave or fourth, you could go to the underground parking in front of the Soldiers and Sailors Museum on Fifth Ave. Come into the building and sign in with the security guard at the Bellefield Ave. entrance. Other entrances will require a card entry.
