

Subject: RE: SSP-MSDG / Sept 21 Thursday Start of India Luncheon Mtg
Date: Thu, 21 Sep 2006 15:58:34 -0400
From: Ghosh, Amit <ghosh@ppg.com>
To: Ghosh, Amit <ghosh@ppg.com>, Joseph J. Grabowski <joe@pitt.edu>, WalshBC2@aol.com, Emanuel Schreiber <manny@pitt.edu>, Mark E. Bier <mbier@andrew.cmu.edu>, Dean Tzeng <tzeng@pittcon.org>, JohnWill@pitt.edu, basu@duq.edu, Goralski, Ed <goralski@ppg.com>

Meeting minutes:

Attendees: Joe Grabowski, John Williams and Amit Ghosh

Following are the proposals;

1. A dinner meeting in 1st week of December with local mass spec group at University Club, PITT.

Day - Tuesday 5th or Thursday 7th

Time - 3:00 PM through 5:30 PM presentation by local mass spectroscopist.

Dinner - at 5:30 PM after the presentations.

Each speaker about 20 minutes talk.

About 8 speakers can be accommodated. If more than 8 request are received, then we shall have the second batch next month due to its popularity.

2. Topic - Fundamentals of Bio-molecules by Mass Spec.

Invite one or two good speakers from outside Pittsburgh.

A morning half day Symposium, ending with lunch.

Target date: February 2007

3. A Vendor meeting in April 2007 (check conflicts with ACS, SSP & SACP etc)

Vendors will present and may have booth.

Afternoon meeting end with dinner.

REQUEST FROM MEMBERS:

Please let me know if You or any of Your students/colleagues will like to do presentation for item # 1. I need to know this definitely by October 6th, so that I can do the room reservation. Also let me know which day you prefer Tuesday or Thursday.

PLEASE suggest NAMES for the SPEAKERS for item #2 by next Thursday and a decision will be made shortly thereafter. The date will be determined by talking to the speakers'.

I sincerely request all of you to take part in the MSDG actively. If no responses are received SSP will stop funding and we will lose a great opportunity of communication of the Mass Spec community in Pittsburgh.

Thank you,
Amit Ghosh
